stile and rail door constructions

Variety of  
Sizing

Ready to  
Machine

Superior Hold  
Strength

Multiple  
Species

### WHY LEXINGTON?

At Lexington, we're your go-to problem solvers for component manufacturing, regardless of the substrate or composite material. With strong ties to the fenestration industry, our strengths lie in our people, quality, and ability to customize solutions with over 40 years of engineering prowess. Our approach allows you to concentrate on your core competencies while elevating your efficiency and profitability.

### Straight & Strong

TimberStrand® LSL Core  
with solid wood edges and  
MDF or veneer face

### Standard Part Sizes

**Door Thickness:** 1.375", 1.75", 2.25"

W	L	Edge	Face
2"-8"	85"-109"	.38"-.87"	.118"

### Time Saver

Frees up your labor, space,  
and Inventory so you can  
focus on the door
